# Letter from the City Manager

Dear Mill Creek Residents and Community Members,

As we navigate the beginning of 2025, I want to reflect briefly on the work we've accomplished in 2024 and how we are moving forward in 2025 with our focus on the City's future vision.

Our work in 2024 has been predominantly and fundamentally internal. We have built strong teams to continue increasing the quality and level of services to our residents and businesses. I aim to continue improving our operations' effectiveness, which requires ongoing updates to our systems, technology, and management processes.

Also, in 2024, the City Council developed its 2040 Strategic Vision for the City, which states: "In 2040, Mill Creek is a thriving, connected, and safe community characterized by its walkability, well-maintained parks, and trails, safe and clean public spaces, and strong community engagement."

To make this vision a reality, the Council set five key strategic priorities:

1. *Create a vision and implementation for the subarea.*
2. *Approve, design, and develop a multipurpose community facility.*
3. *Develop a plan for financial viability of the City.*
4. *Re-clarify and meet City standards for well-maintained outdoors and public spaces.*
5. *Increase community engagement.*

These plans will include our most significant push for Mill Creek development since Town Center. For more on the City's 2040 Vision, visit our website at [millcreekwa.gov/citymanager](http://millcreekwa.gov/citymanager)

In 2025, we plan to continue focusing on setting the stage for long-term growth and strengthening our community, including our residents, businesses, and partners. This includes developing a new community engagement program to align our residents and businesses with the City. These efforts will benefit our community on many levels. By working closely with our community, the City will be able to keep residents and businesses updated with relevant information on how to maintain their right-of-ways, learn about the types of City services, and become involved with feedback on improving Mill Creek Municipal Codes.

One way we work closely with our partners is through community events. For example, we can pool resources and utilize district facilities during off-peak hours by partnering with Everett Public Schools. This allows us to bring quality free activities to Mill Creek residents and surrounding communities, including the Touch a Truck event at Penny Creek Elementary on March 22, co-hosted by Amazon Go, and the Eggstravaganza Spring Festival at Heatherwood Middle School on April 19. These events help support local businesses and organizations, with the added benefit of bringing neighbors together and fostering the community feeling Mill Creek is known for.

Sincerely,

A handwritten signature in black ink, appearing to read "Martin Yamamoto".

# Athletic Classes

## Skyhawks Sports Academy Camps

### Skyhawks SoccerTots

These soccer-themed motor skill classes are very easy for youngsters to get into. Younger age groups focus on developing motor skills and self-confidence; older classes focus more on developing core soccer skills and personal focus and introduce an element of light competition. Instructor-to-student ratio is kept small to maximize individual development, and above all else we promote fun, fun, fun! Parent participation required for ages 2-3.5 years. Please bring your child with water and a jacket. Shin guards and cleats are encouraged but not required.

#### Saturday Classes

# Art, Music and Specialty

## A Very Creative, Very Mindful, Very Expressive Art Experience

Join us for a supportive and nurturing environment where creativity meets healing. Led by a licensed therapist, Very Creative, Very Mindful, Very Expressive invites individuals to explore their emotions, practice vulnerability, and connect with others through the transformative power of art. No prior artistic experience is necessary, just an open mind and a willingness to express yourself! Each session will start with a guided meditation followed by structured art activities designed to inspire self-expression and reflection. We will close each session by sharing our art along with our experiences with the creative process. This group is intended to provide a safe space where art can be used as a tool for self-discovery, emotional release, stress reduction, and personal development. Whether you're looking to process emotions, enhance your self-awareness, or simply explore your creativity, this group offers a unique opportunity to connect with yourself and others. Come discover the healing potential of art in a warm, encouraging atmosphere! Please pay instructor (Maddi Turner) a \$15 supply fee on the first day of the session.
